# Why This Programs Exists

You don't need to be a professional to take your art seriously.

I created this program for anyone who's ready to take their art seriously whether you've waited years to start, or you're just starting now.

Mothers. Engineers. Students. Teenagers, Dreamers. Anyone who wants to reconnect with creativity or discover it for the first time.

With 10+ years of experience and 5+ years mentoring students across the world, I built this not as a class... but as a transformation.

It's not just about how to draw.

It's about how to see. How to feel. How to become.

Let's begin your journey - together.

# The Foundation Drawing Program

## 1. In-Studio Live Drawing Sessions

You get two in-person sessions every week inside Sahil's creative studio - not just to learn how to draw, but to reclaim the version of yourself that still wants to create. This space has held:

- **Working professionals** who spend all week doing what they must - just to spend 2 hours doing what they love
- **Mothers** who buried their artistic dreams 20 years ago
- **People like you** afraid to pick up a pencil out of fear they'd fail

Here, mistakes aren't punished - they're celebrated and used to level you up. You're not just sketching lines. You're learning to see like an artist, guided by a mentor with 10+ years of mastery and presence.

*You won't find this* on YouTube or in some recorded Zoom and you'll never build this atmosphere alone.

💰 **Real-World Value:** ₹10,000+/month

⚠️ **Without it:** ₹3000 - ₹5000 in coaching, zero creative momentum, and possibly years of regret for never starting

# Explore the Signature Programs

## 2. Complimentary Premium Art Kit - Fully Equipped

As soon as you enroll, you'll receive a complete beginner art kit - personally selected by Sahil. No confusion. No shopping. No delays. **You get everything you need to start** creating from day one:

- Sketchbook
- Artist-grade pencils
- Erasers, cutter, tape
- Brushes, palette
- Premium pad + color set

You don't need to ask what to buy, where to buy, or how much to bring. No running around shops that don't even stock proper materials. You pay the class fee - and you're fully ready.

💰 **Value:** ₹1400 - ₹1800

⚠️ **Without it:** ₹2000 + wasted + lost time & poor quality tools

✅ **Included in Month 1, absolutely free**

## 3. WhatsApp Feedback - A Mentor in Your Pocket

Direct access to Sahil via WhatsApp for mid-week help, feedback, or creative guidance.

Send your work anytime, and receive real critique - not just encouragement, but actionable advice that fixes problems fast.

💰 **Value:** ₹1000-₹1500/month

⚠️ **Without it:** Delay, confusion, lost momentum

✅ **Included free** - support stays active between classes

🎁 *It's like carrying your mentor in your pocket.*

## 4. Sahil's Notes, Checklists & Techniques - Built Over 10 Years

You'll receive Sahil's personal systems - not recycled tips, but pro-level notes, frameworks, and step-by-step checklists developed over 10+ years of real experience.

# Explore the Signature Programs

They'll save you from months of confusion and help you approach your work like a real artist from Day One.

💰 **Value:** ₹2500+

⚠️ **Without it:** Trial & error, slow growth, creative frustration

✅ **Included free** - accelerate your learning like a pro

## 5. Creative Eye Development - See What Others Can't

Most people walk through life with blind eyes.

They miss the magic in shadows, the tension in light, the balance in chaos.

**That's why their art stays flat** - because their vision never evolved.

In this class, **your eyes will be rewired.**

You'll learn to see color harmony, composition, visual rhythm, and perspective like a trained artist.

**You'll notice what others don't** - and once you do, you'll never unsee it again.

Even movies will feel different. A simple street scene will become a study in contrast.

You won't just draw better - you'll experience the world differently.

💰 **Value:** Comparable to elite art foundation programs (₹5000+)

⚠️ **Without it:** You'll improve, but never evolve. Your work will always feel "almost right."

✅ **Included free** - unlock the eyes of a true artist

🎁 This is more than a technique. It's a permanent upgrade to how you see the world.

## 6. Career Awareness Session - Real Creative Exposure

Attend a powerful session led by guest artists and professionals across industries - from design and animation to architecture, branding, and gaming.

# Explore the Signature Programs

Understand **how creativity connects to careers** - and invite your child, sibling, or friend too.

⚠️ This session might just open someone's eyes to a path they never considered.

🎁 You don't have to become an artist - **but you should know what art makes possible.**

## 7. Sketch Challenges – Confidence Through Creativity

Blindfolded painting. Drawing strangers. Unexpected tasks.

These creative challenges help you loosen up, break fear, and enjoy the process of drawing again.

You won't be told exactly what's next - and **that's the best part.**

Growth happens where comfort ends.

💰 **Value:** ₹2000 – ₹4000

⚠️ **Without it:** Hesitation, fear, and creative blocks remain

✅ **With it:** You gain confidence, looseness, and fearless flow

## 8. Bonus - Guest Artist Sessions - Access to Legends

**Meet working artists** and creative professionals from Sahil's personal network - illustrators, designers, creators, and industry legends.

Whether they visit our class or we visit their space, you'll learn directly from the source - the kind of people **most students never get to meet.**

🎁 **Not just inspiration** - actual access.

💰 **Value:** ₹2500 – ₹5000 per session

⚠️ **Without it:** No interaction, no connection, no breakthrough

✅ **With it:** Real-world answers from people who've actually made it

## 9. Bonus - Group Exhibition Participation - Showcase Your Work in a Real Gallery

You'll get the chance to display your artwork in a real, premium

# Explore the Signature Programs

art gallery - professionally curated and open to the public. Invite friends, family, or guests. Experience what it feels like to be a featured artist - guided by Sahil, every step of the way.

💰 **Value:** ₹5000 – ₹15,000

⚠️ **Without it:** Your work stays unseen - your growth stays limited

✅ **With it:** You become an exhibiting artist, with public presence and confidence

## 10. Bonus - Decoding Colour Psychology eBook + Core 5 Live Lectures

You'll get Sahil's highly sought-after Decoding Colour Psychology eBook - **a resource used by artists, marketers, and designers to master colour** meaning, emotion, and impact. Along with it, **you'll attend live colour lectures** where Sahil will break down how to use colours like a pro - from pairing and palette creation to brand styling and visual emotion.

💰 **Value:** ₹199 + ₹2000 – ₹5000 (Live sessions)

⚠️ **Without it:** Guesswork, poor colour sense, and immature visual output

✅ **With it:** Strategic, intentional, powerful colour use - the way top creators do it

## 11. Bonus - Palette Etiquette (Basics)

You'll **learn the core colour theory** needed to create clean, balanced, emotionally powerful artwork - without confusion. **Plus, Sahil will train you on Palette Etiquette:** how to set up your brushes, cloths, water, and colours like a professional — so your art doesn't suffer from spills, mess, or slow workflow.

💰 **Value:** ₹1500–₹2500

⚠️ **Without it:** Wasted paint, ruined pieces, poor control

✅ **With it:** Confident colour handling and clean execution

### 12. **Bonus - On-the-Spot Sketch Meetups**

This experience is exclusive to Mastery Students only, but Foundation students may occasionally be invited for select meetups.

### 13. **Certificate of Completion**

A personalised token of your journey - a reminder that you committed, showed up, and grew as an artist.

# Program Investment

**Duration: 6 Months | Mentor-Led | High-Touch Studio Experience**

You're not just joining a class. You're stepping into a carefully designed transformation - with live mentorship, premium tools, personalised feedback, creative challenges, exhibitions, and a system that upgrades your entire artistic identity.

#### ✓ **Standard Program Fee**

₹5000/month × 6 months = ₹30,000 total

You can choose to pay this all at once or in monthly installments.

#### **You have two payment types:**

##### ✓ **One-Time Full Payment**

₹30,000 for the full 6-month journey

*(No Commitment Credit required)*

Best for those who prefer full commitment and simplicity

# Explore the Signature Programs

## **Monthly Plan with Commitment Credit**

Pay ₹5000 once (at the beginning only)

Then pay ₹4167/month × 6 months

### **How this works:**

The ₹5000 is a Commitment Credit - it unlocks a ₹833/month discount for you.

So instead of paying ₹5000/month, you pay ₹4167/month - and you get the full ₹5000 back over 6 months as a reward for staying the course.

⚠️ If you exit early, the unused part of the ₹5000 will not be refunded - this protects quality, focus, and availability for serious learners only.

## **We accept all major payment modes:**

UPI • Credit/Debit Cards • EMI Options • AutoPay • One-Time Full Payments

## **Limited Seats Per Batch**

Sahil personally mentors every student - which is why seats are intentionally limited.

Ask about current slot availability to secure your journey.

# The Drawing Mastery Mentorship

Anyone can teach you to draw.

But very few reshape how you think, observe, and express - not just with your hands, but with your heart.

This isn't just a class.

It's the start of a serious relationship with your creative self.

If you've been waiting for the right guide to level up - welcome.

---

## 1. Everything in the The Foundation Drawing Program, Plus... ✨

## 2. Live Model Sketching – Learn to See Like a Real Artist

Anyone can download a photo and copy it. But only serious artists know the **magic of drawing from life**. Draw from real human models as well - not flattened photographs only.

Understand rhythm, posture, weight, and form in a way no screen can ever teach.

**These sessions will change how you see**, how you draw, and how confident you feel with your pencil.

💰 **Value:** ₹2000 – ₹5000 per session

⚠️ **Without it:** Your art looks correct, but feels lifeless

✅ **With it:** Your sketches come alive - with movement, emotion, and depth

🎁 You don't draw a model. You draw what life feels like.

## 3. Advanced Artistic Demos by Sahil – Learn the “Why” Behind the “What”

There’s no shortage of demo videos online. But most of them just show what someone did - **not why they did it.**

See Sahil paint and draw live - but more importantly, understand why he does what he does.

From subject selection to technique tweaks to problem solving mid-process - **you’ll learn how a real artist thinks**, adapts, and delivers excellence.

💰 **Value:** ₹1000 – ₹2000 per session

⚠️ **Without it:** You’ll copy others but never feel original

✅ **With it:** You gain clarity, confidence, and artistic authority

🎁 You don’t just learn to draw better - you learn how to think like an artist.

## 4. Colour Psychology Mastery – All Live Lectures

Most students choose colours by instinct.

The **great ones choose by intention.**

You’ll receive full access to Sahil’s renowned Colour Psychology eBook - used by artists, marketers, and designers across India - but that’s just the beginning.

You’ll also **attend live colour mastery sessions**, where Sahil takes you deep into the psychology, emotion, and strategy behind colour - showing you how colour works in real projects, real brands, real artwork, and human behavior.

💰 **Value:** ₹5000 – ₹10,000

⚠️ **Without it:** Confused colours = confused message

✅ **With it:** Precision, power, and emotional control in every piece of art

🎁 Colour isn't decoration. It's persuasion. And you're about to master it

## 5. Monetization & Brand Building – Build the Career You Deserve

Talent gets you noticed.

But **structure, positioning, and visibility get you paid.**

Inside this powerful module, Sahil personally mentors you on how to monetize your skill with strategy - not luck.

Whether you want to take freelance commissions, sell original art, or build a career around your creative brand - this is where you learn how to do it step by step.

💰 **Value:** ₹20,000 – ₹50,000

⚠️ **Without it:** You stay talented... and broke

✅ **With it:** You earn, grow, and gain the clarity to move forward

## 6. Exhibition Strategy + Curation Mentorship - Don't Just Show Up. Show Off.

It's one thing to be in an exhibition.

It's **another thing to be remembered in one.**

While basic students will participate in a group gallery, **Mastery students go much further** - they learn how to design their own visual identity inside that space.

You'll work with Sahil to design **your own visual identity** within the group exhibition or even solo exhibition - learning how to stand out with flow, theme, and storytelling.

You also **get premium gallery space - free of cost - plus professional guidance** on how to make your art unforgettable.

💰 **Value:** ₹50,000 – ₹60,000

⚠️ **Without it:** You show up, but get overlooked

✅ **With it:** You stand tall, confident, and ready for the next level

🎁 You're not here to decorate a wall. You're here to make people stop and stare.

## 7. Portfolio Development Support – For Those Who Want to Be Taken Seriously

Most students are told to “build a portfolio.”

**No one tells them how.**

And that’s why so many **artists get stuck** - recycling old work, including everything they’ve ever drawn, and ending up with a portfolio that feels like a **scrapbook instead of a statement.**

Here, we fix that.

**You’ll also learn what different institutions and industries actually look for** - because a portfolio for an art college is very different from one for a graphic agency or a gallery curator.

**Sahil will guide you personally**, with the kind of insight that makes your work not just visible - but valuable

💰 **Value:** ₹10,000 – ₹15,000

⚠️ **Without it:** Your best work gets ignored

✅ **With it:** You walk in prepared, respected, and one step ahead

🎁 A great portfolio doesn’t just show your art. It shows you’re ready.

## 8. Behind-the-Scenes Access – Learn from Sahil’s Live Projects

Get **occasional insider access** to Sahil’s personal projects, client work, and commercial art pieces - and see what goes into making great art under real conditions.

💰 **Value:** Intangible

⚠️ **Without it:** You keep guessing how professionals work

✅ **With it:** You witness raw decision-making, and develop instinct - the secret ingredient in every great artist

# Explore the Signature Programs

## 9. Guest Artist Masterclass (Priority Access) + Follow Ups

Most students hear from “influencers.” But you **hear from industry doers.**

Mastery students get reserved access to premium masterclasses by working professionals - with extended Q&As, real insights, and exclusive post-session breakdowns.

💰 **Value:** ₹3000 – ₹8000+

⚠️ **Without it:** You get second-hand advice from the internet

✅ **With it:** You learn what only insiders know

## 10. Ask Me Anything Sessions – Your Questions. Directly Answered.

There’s no **worse feeling for an artist** than being stuck - creatively, mentally, or emotionally - and **not knowing who to ask.**

You Google.

You scroll.

You get a **hundred mixed answers** from people who don’t even know what they’re doing.

That ends here.

These closed-room AMA sessions give you **private access** to Sahil’s experience, wisdom, and real-world solutions.

💰 **Value:** ₹3000–₹6000

⚠️ **Without it:** You guess your way through blocks

✅ **With it:** You get clarity, confidence, and momentum

🎁 One good answer can save you six months. This is where you get those answers.

## 11. Bonus: Early Access to Sahil's Upcoming Book + Private Training

Most people will read Sahil's next book when it hits the public. But you - as an Mastery student - will **live it before it even launches**.

Get the **unreleased book Sahil's been working on for 3 years** - before anyone else.

Join **private sessions** that break down the insights so you can apply them in real life.

💰 **Value:** ₹8000 – ₹12,000 [Private sessions + application-based training]

⚠️ **Without it:** You get the book... but not the brilliance inside it

✅ **With it:** You absorb, apply, and evolve ahead of the curve

🎁 You won't just read this book. You'll be trained to use it like a master.

## 12. Bonus - Advanced Palette Discipline – Pro Workflow

**Learn the professional discipline** of setting up your palette and painting station.

No more muddy colours, cluttered workspace, or ruined flow.

💰 **Value:** ₹1500 – ₹3000

⚠️ **Without it:** You risk ruining art through poor setup

✅ **With it:** Clean, confident, intentional painting - every time

🎁 Your art starts before your brush touches paper.

## 13. Bonus - On-the-Spot Sketch Meetups – Be Fearless.

Real artists don't just draw in studios - they **capture life** in motion.

# Explore the Signature Programs

🎨 You'll build visual memory, learn to simplify scenes quickly, and train your eye to **sketch anywhere, anytime** - like a true artist.

🧠 These sessions build grit, instinct, and fast-twitch confidence - qualities most artists lack.

💰 **Value:** ₹5000 – ₹15,000 (varies by frequency/location)

⚠️ **Without it:** You freeze up in public, slow down, and stay stuck in your comfort zone

✅ **With it:** You gain speed, confidence, and adaptability — and learn to perform under real-world pressure

## 14. Certificate of Completion – Proof of Mastery

At the end of your 12-month journey, you'll **receive an official Certificate of Completion signed by Sahil Barmate** - a document that reflects not just hours attended, but the depth of growth you've undergone.

This isn't just a formality.

This is a **seal of artistic commitment** that signals to colleges, clients, and creative circles that you finished what most people never even begin.

Your certificate becomes a conversation starter, a credibility marker, and a **proud symbol of your dedication**.

💰 **Value:** ₹1500

⚠️ **Without it:** You complete the course... but miss the proof of your transformation

✅ **With it:** You walk away with recognition, pride, and something you can actually show
